Commercial Real Estate:

When you are buying/selling, leasing or subleasing your medical office space, Joel and Granot Commercial Real Estate advocates, represents and negotiates for Atlanta based office medical practices to create real estate solutions that save practices time and money. Landlords typically pays Tenant broker real estate fees so it behooves the medical practice to have a Tenant broker advocating for them but unfortunately many do not. Since 1995, we have been providing Tenant based representation throughout metro Atlanta and have completed over 300 sales and lease transactions worth in excess of \$100 million dollars. If you need space, we'll find the place. Joel & Granot Commercial Real Estate | Ted Schwartz | 770-713-2775 | ted@joelandgranot.com | www.joelandgranot.com.

Cost Segregation

Doctors, Dentists, Vets, Senior Living Facilities, Imaging Centers, For-Profit Hospitals, Urgent Care Centers, etc. often save \$50,000-\$350,000 by accelerating depreciation to increase cash flow & lower federal income taxes. Building owners and tenants who acquired, constructed or renovated properties since 1987 are still eligible for savings.
